

T.O. BMS1F-16CM-34

# T.O. BMS1F-16CM-34 AVIONICS & WEAPON DELIVERY FLIGHT MANUAL BMS 4.35

Version 4.35.0 (November 2020)  
For simulation purposes only

The purpose of the BMS Dash 34 is to provide an avionics and non nuclear weapon delivery manual specific for BMS 4.35. The Dash 34 manual will cover advanced avionics system and weapons procedures.

It is the manual that should show newcomers and returning veteran pilots how to fight in the F-16 in BMS.

This manual is part of the BMS 4.35 documentation suite:

- TO-BMS1F-16CM-1: Flight Manual for BMS F-16C/D b50&52,
- BMS-Manual: All BMS 4.35 simulation specific aspects,
- BMS-Training Manual: Documenting the 4.35 training missions,
- BMS Comms and Nav book: Documenting the ATC and navigation procedures,
- BMS Naval OPS: Documenting the carrier operations with F/A-18 & AV-8B,
- BMS Technical manual: Technical information fo BMS 4.35,
- BMS Korea Navigation documents: AIP, charts,
- F-16 BMS Checklists.
